

# A11: Presentation

---

## 1. Product presentation

---

The goal of this project is to provide television show and movie aficionados daily news and updates of this media. This very system will be community-based since only registered members are allowed to both rate and comment each other's submissions, triggering healthy discussions.

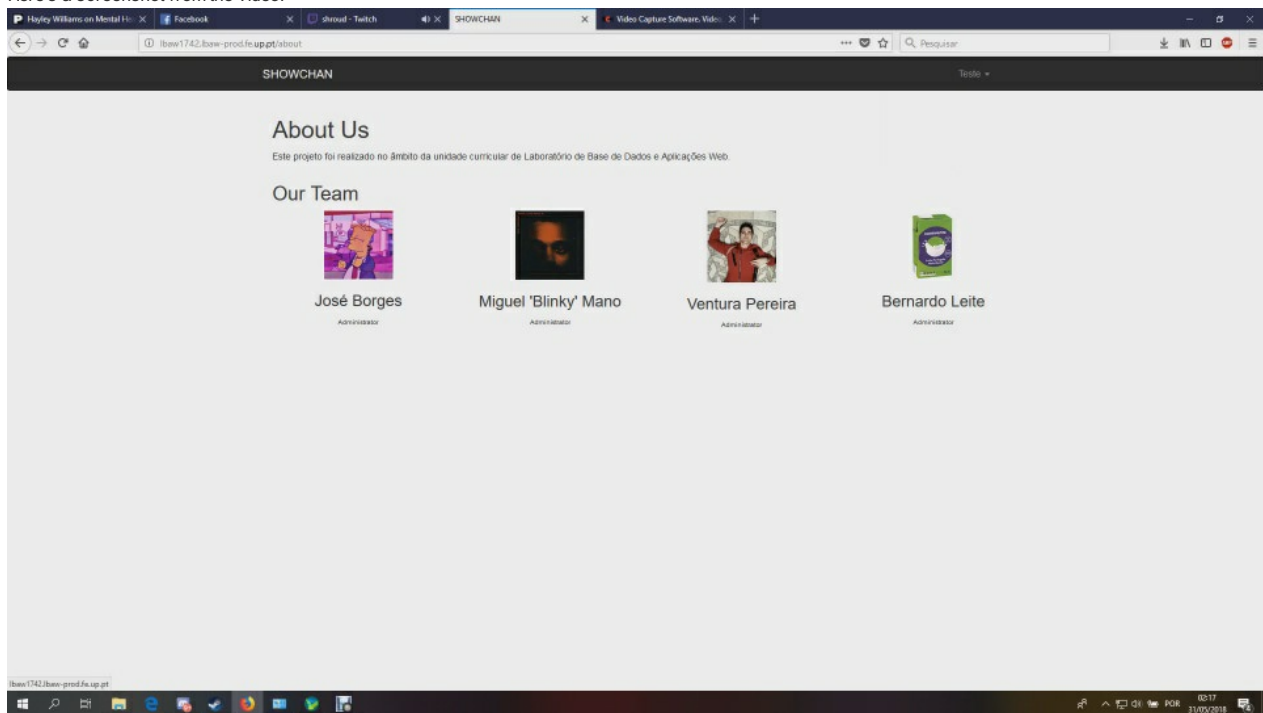

The URL of the product is available over [here](#).

## 2. Video presentation

---

The video presentation was made available on this [YouTube link](#).

Here's a screenshot from the video.

## 3. Contacts
